

ALL ABOUT EXTRACTIONS AND IMPACTIONS

A Complete Minor Surgery Course

Vaughan, ON

COURSE HIGHLIGHT

This comprehensive program is designed for dental professionals seeking to enhance their skills in minor oral surgery. Through a blend of theoretical learning and hands-on practice, you'll master essential techniques for extractions and impactions. The course includes one day of theory and hands-on training on models in Vaughan, followed by a full day of live surgeries, allowing you to perform as many extractions and impactions as you can from a pool of over 100 patients.
